

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. In its goals to promote competition, diversity and localism in today's media market, I strongly believe that the FCC should retain all of the current media ownership rules now in question. These rules serve the public interest by limiting the market power of already huge companies in the broadcast industry.

I am 100% against lifting ownership limits for the American newsmedia. We need to keep a diverse and broad range of views in the media.

Sincerely,

Nancy K. Wolff
